Magic Hour Green Teas

Ceremonial Matcha 700

The tea of longevity and Infinite energy due to its positive effects on LDL, body fat, memory, sleep, social cognitive function, and l-theanine induced stress relief, while avoiding the caffeine crash that often occurs with caffeine consumption. The leaves are ground just before being shipped to retain their freshness which is reflected in its bright green hue and sparkling taste on the tongue. Its creamy Umami flavor spreads over your palate delicately, flecked with overtones of sun-warmed grass.
