### **Velour Body Melt**

Protect and perfect your skin with this beautifully hard-working body care multitasker. Our uniquely effective gel-to-oil formula “melts” to restore dewiness and quench dryness wherever you put it to use whether as a whole-body moisturizer, a shave gel, a hair, hand, or foot mask, or in many other hydration situations. Our Velour Body Melts achieve their velvety, weightless finish and glow-boosting power with a luxurious combination of Coconut Oil and Kalahari Melon Seed Oil, delivering rejuvenating nourishment, protection, and antioxidants.

## *Our Signature Collection*

### **Body Brush**

\$24

From our Signature Collection comes The Body Brush! Finally, a cruelty-free, vegan body brush to beautifully blend The Golden Oil and any liquid or cream products to the skin. Crafted with the softest synthetic bristles and shaped into a custom curve design to follow the curves of your body. This brush is the perfect tool to use with The Golden Oil for a gorgeous glow.

### **The Oil**

From our Signature Collection comes The Oil, an indulgent blend of pure luxury in our most sophisticated fragrance yet. Restore and illuminate from head to toe with this exquisite natural formula designed to provide powerful anti-aging and antioxidant benefits in one multi-use product. Infused with Coconut Oil, Marula Oil and our proprietary blend of highly nutrient-rich plant extracts, this lavish oil glides on beautifully and quickly absorbs into the skin providing long lasting nourishment that rejuvenates, restores, and protects leaving your skin velvety soft. A beauty influencer favorite.
